

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **West Hanney Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters report below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Council has recorded a 'No' response to Box 11b on Section 2 of the AGAR. Since it appears that the Council are not a sole trustee based on responses on other sections of the AGAR, the response to this box should have been 'N/A'.

A review of the Finance section of the Council's website, has identified that the Council does not appear to have fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the final audited Annual Governance and Accountability Return along with the signed external auditor report should, on conclusion of the audit, be available for public access, which includes publication on the Council's website. The Council amended Section 2 of their 2022/23 return year during the 2022/23 review process however only the original version of the return is visible on the Council's website. In addition, it appears that the 2022/23 notice of conclusion of audit has not been published as is required by regulation 16 of the Accounts and Audit Regulations 2015. The Council should bring these points into line with the regulations as soon as practically possible.

As noted on the prior year's external audit report, Section 1 and Section 2 had incorrect minute references and therefore the minute references reflected on the AGAR were not wholly correct. We therefore expected this to be reflected in a 'No' response to Assertion 3 on the 2023-24 return, however the Council answered 'Yes'.

Other matters not affecting our opinion which we draw to the attention of the authority:

Boxes 1-6 of Section 2 of the AGAR does not arithmetically add down to Box 7 by £1 when summed. When rounding the numbers for the Return care should be taken to ensure boxes 1-6 sum to box 7 in accordance with Paragraph 2.19 of JPAG Practitioners' Guide 2023 and that box 7 agrees or reconciles to box 8 as is required per Paragraph 2.23 of JPAG Practitioners' Guide 2023.

The internal auditor has ticked 'not covered' to control objective H on the Annual Internal Audit Report which suggests that the council does not have any fixed assets. Section 2 of the AGAR shows a balance in Box 9 and so the internal auditor should ensure control objective H is considered within their testing and marked with a 'Yes' or 'No' response in the future.

The internal auditor has provided a 'Yes' response at control objectives L and N on their report. This suggests that the Council correctly published all relevant documents on its website. As the Council currently has not published the audited 2022-23 return following amendments made during the 2022-23 limited assurance review, the answer to these points should have been 'No'.

The Council left a significant time period between approval of the Annual Governance and Accountability Return and the commencement of the Public Rights Period. The Audit and Accounts Regulations 2015, section 12 (3)(a) and proper practices require that following approval of the Return, the Public Rights Period should commence as soon as is reasonably practicable when taking into consideration the mandatory inclusion of the first 10 working days of July.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
